There is no Avis office in Moscow. But we're working on it.

We found a nice spot right in the heart of downtown Moscow, between St. Basil's and The Tomb. Now we just need a"Da" from the Commissar of Transport.

And about time. We're almost everywhere else. If we ever get the right papers, we'll gladly rent you a

new Ford. Or a Zil, Volga or Moskvich.

With empty ashtrays, A full gas tank, And a comradely smile from one of our girls. (Just like Avis U.S.A.)

A call to any Avis office would arrange it all. As it does now for rentals in Europe, the Caribbean, North Africa and the Far Fast.

We've been doing this sort of thing for years. Though the Russians will probably say they invented it.
